

Lighthouse Finder

## Privacy Policy

Your privacy is important to us. It is our policy to respect your privacy and comply with any applicable law and regulation regarding any personal information we may collect about you, including via our app, Lighthouse Finder, and its associated services.

Personal information is any information about you which can be used to identify you. This includes information about you as a person (such as name, address, and date of birth), your devices, payment details, and even information about how you use an app or online service.

In the event our app contains links to third-party sites and services, please be aware that those sites and services have their own privacy policies. After following a link to any third-party content, you should read their posted privacy policy information about how they collect and use personal information. This Privacy Policy does not apply to any of your activities after you leave our app.

Lighthouse Finder uses your actual location (if authorized in the app) to show nearby navigational aids or to track your location on the map.

Lighthouse Finder does not access, collect, store, or evaluate personal information or make it available to third parties.

This policy is effective as of 9 November 2022.
